

Sentence Clues

1. Write 'It has got...' on the board.

It has got...

2. Elicit animal features and numbers.

It has got...
three ears
horns five

3. Students think of an animal and write three sentences.

Bear

It has got four paws
It has got two eyes
It has got one tail

4. Students read their sentences and the class guesses the animal.

It has
got four
paws

Dog?

Teacher Tip

- Complete as a mingling activity – students walk around the classroom talking
- For lower levels provide sentences with key words missing
- Higher levels to order their sentences from the most difficult to the easiest

I can
describe
animals.
Can you?
